

**Quickest way to schooley mill:** Take the chute and cleared path through the trees by the lower pasture. Follow the wide path to the right into the woods until you see a fence, go through the gate (or carefully to the right) and turn right, down the steep hill and cross the creek. Follow the trail through the muddy patch (careful!), under the leaning tree, turn right onto the maintained path and head up the hill to path #17 (veers to the left). Path #17 will lead to the corner of the fields (\*39 & \*18 on the map). If you head to the right, you'll pass some baseball fields and get to the cross country jumps (EQUESTRIAN JUMPING) and see the large sand arena (HORSE RING) across the road. Be safe, have fun!!
